Legal Fees

for

Forming a Nonprofit

Deborah Dyson provides affordable legal services to assist in starting a nonprofit organization. She will work with individuals or groups to form the nonprofit corporation and to apply to the IRS for tax-exempt status. These legal services are described in detail at Forming a Nonprofit Corporation with Tax-Exempt Status at www.dysonlegal.com/nonprofits/forming.

Instead of hourly fees, which are unpredictable to a client, Deborah has fixed fees for her services. A fixed fee means that a client gets their questions answered without concern of escalating expense. A fixed fee means a guarantee that the organization will receive its tax-exempt letter from the IRS. Deborah will work with the IRS on behalf of the nonprofit until this letter is received.

A client may request assistance in all aspects of forming the nonprofit or it may want assistance in applying for its tax-exempt status.
